To Frank and Vinnie,

Thank you *so much* for your most generous donation to B.A.C.A. Bucks County, PA., Inc. It is because of people such as yourselves that we can do the work that we do for children.

Your donation will help us to further our cause in assisting in the education and public awareness of child abuse, as well as directly benefiting local survivors of these crimes.

Our motto states " Please stop the hurt, it's their future", our mission is to help these survivors believe once again that life can, and should be, good. Thank you for allowing us, with your donation, to continue this work.

Sincerely,
