To Whom It May Concern:

The Franconia Township Police Department successfully held its 12th annual National Night Out Against Crime celebration on Tuesday, August 5, 2008, at the Franconia Township Community Park. Despite the impending inclement weather, which fortunately held off, over 1,000 people joined the Police Department for the annual anti-crime awareness celebration.

With your help this year's celebration was a huge success. Thank you for your donation of ice for our National Night Out. With this, we were able to provide food and refreshments to our community members, enhancing their experience at our event. We look forward to continuing this partnership for years to come.

Your dedication to crime prevention and awareness of our community resources helps strengthen and foster the spirit of our community-police partnership. These events could not take place were it not for your hard work and dedication to making this event a success.

On behalf of the Franconia Township Police Department, we wish to extend our sincere thanks to you and your organization for your support of our National Night Out Against Crime celebration. We are a wonderful community of outstanding residents, businesses and organizations. Again, thank you for your generosity, support and partnership with the Franconia Township Police Department, and we look forward to continuing to work together.

Sincerely,
