Dear Mr. Bagdwal:

Thank you for your generous contribution at our 12th Annual "Day in the Park" event. The atmosphere was full of energy, and the community truly appreciated what we provided for their children and families. Your company's donation contributed to the success of our event and we are grateful.

Around 1,000 people passed through the gates of the Hank Gathers Center on September 20th to participate in the daylong community celebration. There was cotton candy, popcorn, face painting, and a Moon Bounce in addition to all kinds of games. There were plenty of hamburgers, hot dogs, chips and soda for everyone. Our food sponsors included Herr Foods, Hatfield Quality Meats, Murry's Steaks and Stroehmann Bakeries. Because of their generosity, we were able to provide free food for everyone and no one went home hungry.

The City of Philadelphia in particular raised me and I am forever grateful. I do realize that I have been blessed with many opportunities and experiences. My work in the community can not take shape without your help and support. You have enabled me to give back to my hometown and your generosity is appreciated and valued.

Once again, thank you for your time and mostly, for your belief in "Giving Back" to our great City of Philadelphia. I want to wish you great success in all your future endeavors and I look forward to working with you in the future.

Sincerely,

Dawn Staley
