Dear Vinnie,

On behalf of the Jake Darreff Legacy Run we would like to thank you for your kind donation. Your contribution made it possible for us to give generously to two families in our community. We were able to give \$9,000 to both Joseph Kroszner and Felicia Furguli to help alleviate the financial burden this devastating disease brings to their family.

In our 14 years weather never seemed to deter our participants. Though we had a light rain, we had over 450 runners and walkers come out to make a difference to our sponsor children.

Felicia and Joseph were both there to receive our love hope and caring, and came away with the added strength that our community was there to help in their battle with childhood cancer.

We plan to continue our efforts in the years to come and we hope we can count on your continued support in the future. We value you as someone who supports our belief that we are making a difference.

Again, we thank you for your generous gift of \$250.00; as we are a Non-Profit organization, please keep this as a written acknowledgement of your donation for tax purpose.

With our sincere thanks
"Friends of Jake"
