Four Midway Business Center
Harleysville, PA 19438

Dear Friend of the ADA,

Thank you for your tremendous support of Tour de Cure 2007! On Sunday, May 18, 2008, over 500 riders will travel 15, 40 and even 63 miles to show their support of the ADA. They can't make it to the finish line without food and cool beverages to replenish their energy and we can't provide that without YOU!

The Tour is a ride, not a race, with routes designed for everyone from the occasional rider to the experienced cyclist. Our goal this year is to have 500 riders and raise \$150,000 for the fight against diabetes. A portion of that money funds our annual Diabetes Camp for Kids. For one week children ages 8 – 16 will come together and with the support of each other learn to cope with their disease. That's why we need your help!

The Tour de Cure depends on our riders and volunteers, but its success also depends on the generosity of businesses like Lansdale Ice Company. I am hoping that you will be able to donate 50 bags of ice (40lb.) to our event. By making this donation, you are ensuring that more money supports our mission: *to prevent and cure diabetes and to improve the lives of all people affected by diabetes!*

If you are able to participate, please fill out the attached form and send it back to me at your convenience. Keep in mind that we can pick up the donated item. Lansdale Ice Company will be recognized on day of event signage and in our opening ceremonies.

For your records, our tax exempt ID is 13-1623888. Visit www.diabetes.org/tourdecure for more information on this fantastic event. Don't hesitate to contact me via e-mail at JBrunner@diabetes.org or phone at 610-828-5003, ext. 4642, if you have any questions or concerns. I look forward to working with you!

All the best,

Jessica Brunner
