To Whom It May Concern:

Thank you for making Franconia Township's National Night Out Against Crime celebration such a spectacular and memorable event! With your help this year's celebration was a huge success. With an estimate of over 4,000 spectators, this was the largest attended Night Out event in Franconia's history. This was all possible thanks to your participation and dedication to our community-police partnership.

I asked many people as they were leaving what they were taking away with them. One person notably said that they had no idea so much help was available in our area, and if a person wants help they can find it here. It was very clear through everyone's comments that our anti-crime awareness and display of our community resources and organizations continues to be the spirit of this family event.

Thanks to your support, we gave back to our community beyond the hours of the event itself. We collected enough non-perishable food donations to fill the bed of a full-sized pick up truck, which was then donated to three local food banks. We plan to make this a large part of our Night Out event each year.

Again, thank you for your generosity, support and partnership with the Franconia Township Police Department. We greatly appreciate your participation and ongoing support of our event each year, and we look forward to continuing our work together.

Sincerely,
